

Our Patch Cable RG-58 with 50 ohm wave impedance, pre-assembled BNC Cable Plugs and ergonomic Twist Sleeves from Damar & Hagen are ideal for measurement purposes.

With the Patch Cable we pay attention to high product quality, as it serves as a measuring equipment for measurements and the signals must not be falsified.

Features:

- BNC-Cable Plug 50 Ohm acc. MIL - made by Damar & Hagen
- Twist Sleeves for comfortable coupling – made by Damar & Hagen
- Coaxial Cable RG-58 from German manufacturer
- Each patch cable is tested after assembly
- Mating Cycles ≥ 1000

Application example with measurement device
