

Device coupling:  
Mounting breakthrough for  
Mounting plate  $\leq 10$ mm

### For mounting in Keystone Patch Panels

This Keystone-Module with BNC-Bulkhead Adaptor (Socket->Socket) by Damar & Hagen has been developed to extend BNC 75 Ohm connections.

Due to its standardized dimensions (24 x 18 x 22.3 mm), the Keystone insert made of plastic suited for simple snap-in installation in various brackets, e.g. the Keystone Patchpanel by Delock and other identical housings (19.2 x 14.9 mm)

Return loss:

$\geq 31$  dB up to 3 GHz

$\geq 27$  dB up to 6 GHz

Other variations: See page „Design Options“

Part-No.	
1-9009-13126	Keystone module consisting of: BNCpro device coupling 1-8722-13153* Keystone insert 2-6504-9637* black  * Available individually on request
